## Vegetable Boxes

We will be putting together a standard box of veg at a set price to include the basics but right now we're tailoring each box to each customer because we know not everyone likes everything and some people need more of an item and less of others.

- ➔ Please send an email to [thegrocerchef@gmail.com](mailto:thegrocerchef@gmail.com) with a list of vegetables that you would like in your box and the amount of each item.
- ➔ We can generally obtain most items, unless there are shortages of particular items like there has been at points in the past.
- ➔ Once we receive your order we'll confirm receipt of it
- ➔ We'll be in contact regarding the cost and suggestions of collection days and times.

Salad items are available and fruit if you would like to add them to your order.
